### Dr Samarendra Kumar Basu

MBBS, DGO, FIMAMS (GO) FELLOW (IAOG),  
Consultant, Senior Gynaecologist and Obstetrician, Trained in Infertility Management, Laparoscopist  
*Hony Editor, Journal of the Indian Medical Association (JIMA)*

**M**y sincere thanks to our IMA Fraternity for electing me as Editor JIMA 2018. To me, it's a great honour in my life throughout the journey in medical profession till date. And I will try my best to do justice to my post.

In my tenure it is my great privilege to work under the dynamic and energetic IMA leader who has already been able to enter in the heart of IMA members who is no body then our national President Dr Ravi Wankhedkar.

I want to express my sincere thanks and gratitude to the National Team to allow me to run prestigious JIMA under the guidance of our leaders.

The JIMA Committee has decided already to put forward more attractive and scientific magazine in this year and I am confident in this regard.

This issue is a special issue on Nephrology where Professor Dilip Pahari, an eminent Nephrologist is the Guest Editor.

This disease of the urinary system is a major concern in modern medicine, particularly due to increase in the era of diabetic and hypertension. Diabetic and hypertension patients ultimately have their major complications on urinary system leading to terminal stage.

Different topics on Nephrology in this issue will definitely help us to enrich our knowledge on Nephrology and will help to combat the complications in better way.

At last, I extend my thanks to Dr Santanu Sen, Hony. Joint Finance Secretary, IMA (HQs) for his continuous help and guidance as well as active support from our Secretary, Dr Kakali Sen, Hony Associate Editor, Dr Amitabha Bhattacharya, Hony Assistant Secretary, Dr Gopal Das, and Prof Jyotirmoy Pal & others JIMA members.

On behalf of my team I can assure to have a better and attractive magazine under the able guidance of our National Leaders.
